Security

We are committed to ensuring that your information is secure. In order to prevent loss, misuse, and unauthorised access, use, modification, disclosure, alteration, or destruction we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

However, you should keep in mind that the transmission of information over the Internet is not completely secure or error-free. In particular, e-mail, social media, and messaging apps may not be secure, and you should therefore take special care in deciding what information you send to OOMPH! Health Coaching via these channels.

How we use cookies

A cookie is a small file that asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web

application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

We may use traffic log cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve the OOMPH! Health Coaching website in order to tailor it to customer needs. We only use this information for statistical analysis purposes.

Overall, cookies help OOMPH! Health Coaching provide you with a better OOMPH! Health Coaching website, by enabling OOMPH! Health Coaching to monitor which pages you find useful and which you do not. A cookie in no way gives OOMPH! Health Coaching access to your computer or any information about you, other than the data you choose to share with OOMPH! Health Coaching.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of the OOMPH! Health Coaching website.

However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information that you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.

Right of Access and Storage

You may request access to personal information including your credit card information we hold about you by contacting us in writing at info@oomphhealthcoaching.com.au.

Where we hold information that you are entitled to access, we will endeavour to provide you with suitable range of choices as to how access is provided (e.g. email or mailing it to you). A fee may be charged to cover the cost of retrieval.

If at any time you believe that personal information we hold about you is incorrect, incomplete or inaccurate, then you may request that we change it.

OOMPH! Health Coaching will destroy or de-identify your personal information as soon as practicable once it is no longer needed for the purpose for which it was collected. However, we may be required by law to retain your personal information after your relationship with OOMPH! Health Coaching has expired. In this case your personal information will continue to be protected in accordance with this Privacy Policy. If we destroy personal information we will do so by taking reasonable steps and using up-to-date techniques and processes.
